(19) "30—Public Works—Civil Engineering".

Rao Sahib K. Ayyappan *(Minister for Public Works):* Sir, I move for an additional allotment of Rs. 1,00,000 under "30-Public Works-Civil Engineering-Communications Original". This is for the 50 per cent contribution to the Ernakulam Municipality for tarring the Ernakulam Municipal Trunk Roads. Orders were passed to take up this work recently. Therefore it was not possible to make provision for this item of expenditure in the Budget. Government have decided not to give any contribution for the maintenance of these roads for the next 20 years. Therefore, this contribution of 50 per cent may be given and this is an urgent work, and I hope this House will not ask the Government to postpone the work till regular provision is made in the Budget. So I request that the House may be pleased to vote for the grant.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Sir, it has been stated by the Hon'ble Minister for Public Works that contribution for maintenance of these roads will not be made for twenty years. Will they not require repairs during these twenty years.

Rao Sahib K. Ayyappan *(Minister for Public Works):* For that they will find the money from their own funds.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Is there any guarantee that they will do it.

Rao Sahib K. Ayyappan *(Minister for Public Works):* The Hon'ble Member may be rest assured that the roads will be maintained in proper order.

(20) Token grant under "30—A—Civil Engineering".

Rao Sahib K. Ayyappan *(Minister for Public Works):* Sir, I move for a token grant of Re. 1 under "30-A.-Civil Engineering B.O. Workshop-Maharaja's College". This is only an adjustment and the workshop in the college which was used for the training of the candidates for War Service is required for the college. The original intention of the Government was to share the expenditure between this Government and the Government of India. Now the Government of India has raised the question of disposal of this building and because we want it we have to incur the whole expenditure and for that this adjustment proposal is made. I request that the House may be pleased to allow the grant.

Demand put and carried.
